The appellant, plaintiff below, appeals from a jury verdict in favor of the appellee physicians and a directed verdict in favor of appellee hospital. Three issues are raised by appellant: 1) whether an expert medical witness should be permitted to give an opinion as to whether a physicians negligence was simple or gross, 2) whether it was error for the jury to be instructed on contributory negligence, and 3) whether an agency relationship was established between Dr. Krpan and the hospital thereby making the directed verdict improper. We affirm on all issues.
