Author: Supreme Court of the United States

The principal question presented in Luis Jandro's appeal relates to the admissibility of statements of co-conspirators in a prosecution for conspiracy to deliver methamphetamine, particularly with respect to the impact upon Jandro's right of confrontation. Other issues which are presented involve whether there was probable cause to arrest Jandro so that money taken from him in a search incidental to his arrest was properly admitted into evidence and whether the failure of the arresting officers to - Page 514 furnish the information required pursuant to Â§ 7-1-111, W.S. 1977 (since repealed), in writing or to otherwise record it, and to obtain the statutorily required form of waiver according to Â§ 7-1-113, W.S. 1977, made Jandro's statements to a law enforcement officer inadmissible. The trial court admitted the evidence taken from Jandro pursuant to a search incidental to his arrest; ruled that no error existed with respect to the failure to furnish advice in writing or otherwise record it or to obtain a waiver in writing from Jandro; and admitted the statements of co-conspirators over Jandro's objection. We are satisfied that no reversible error exists, and we affirm Jandro's conviction.
